Larry states “Have always been interested in classic cars—had my first car, a 1939 Chevy, when I was 12 years old. I swept floors in the Mechanic shop not far from home and I loved taking things apart—I was lucky, I could put them back together.”

“In 1989, Annette and I helped re-organize the club as a way to promote preservation of classic Chevys, emphasize family effort and support a local charity. We assisted the club by providing a building in Oklahoma City for the meetings. She and I have been preserving cars since we put together a Nomad which we have had for 48 years.”

Tom and Teresa Linn joined to gain advice on the value of a 1955 Chevy two door that they were purchasing for their daughter - but instead they kept the car and continued as members of the club. They remember the year as Tom was employed by the FBI and it was the year of the “Murrah bombing” and he was allowed “time off “to attend and work a Bricktown Chevy Show.

Welcome New Members to the Central Oklahoma Classic Car Club

Central Oklahoma Classic Car Club (COCCC) meets on the second Sunday of each month at a designated restaurant. The meeting is a time to discuss club business, share classic car events, or restoration ideas and to socialize.

We try to have a dinner cruise each month (weather permitting). These are usually short trips 50-60 miles driving distance in our classic cars followed by a meal.

We encourage you to review the enclosed copies of our club's Constitution, By-Laws, and Membership list. Each month the Dashboard, club newsletter is published and disseminated by email.

Our club dues are \$20.00 per year and are due January 1st and become delinquent on March 1st.

Please feel free to contact our club President, other club officers, or any members of our club with questions you may have; otherwise ask at our next meeting.

Again, welcome to our club.

Sincerely,
