Good Afternoon COCCC Members,

I greatly enjoy and encourage our dinner cruises and other travels in our classic Chevys. During the cruises, I find myself combining feelings of the current cruise with the special and popular 1950s American pastime of Sunday Afternoon Family Drives. Many of us can reflect, fondly, on our families leisurely drives without definitive destinations, enjoying the backroads scenery and each other's company. We Americans lucky enough to own classic Chevys and other old cars are able to have greater nostalgic experiences than the few who take Sunday afternoon family drives today, especially in modern cars.

Aren't we lucky and blessed to own our classics and the events through the Central Oklahoma Classic Chevy Club.

Humbly submitted
