5 or concealed in any way, until the proper registration or
6 identification of such vehicle has been made or produced by the
7 owner thereof.

8 E. The purchaser of a new or used manufactured home shall,
9 within thirty (30) days of the date of purchase, register the home

4 be required to be affixed and the owner thereof shall be given a
5 receipt upon payment of ad valorem taxes due on the home. The Tax
6 Commission shall make sufficient plates and decals available to the
7 various motor license agents of the state in order for an owner of a
8 manufactured home to acquire the plate or decal. A one-dollar fee
9 shall be charged for issuance of any plate or decal. The fee shall
10 be apportioned each month to the General Revenue Fund of the State
11 Treasury.

12 F. The decal shall be easily visible for purposes of
13 verification by a county assessor that the manufactured home is
14 properly assessed for ad valorem taxation. In the first year of
15 registration, a decal shall be issued for placement on the license
16 plate indicating payment of applicable registration fees and excise
17 taxes. A duplicate manufactured home registration decal shall be

21 shall be affixed inside the window nearest the front door as
22 evidence of payment of ad valorem taxes. The Tax Commission shall

3 G. Upon the registration of a manufactured home in this state
4 for the first time or upon discovery of a manufactured home
5 previously registered within this state for which the information
6 required by this subsection is not known, the Tax Commission shall
7 obtain:

8 1. The name of the owner of the manufactured home;

9 2. The serial number or identification number of the
10 manufactured home;

11 3. A legal description or address of the location for the home;

12 4. The actual retail selling price of the manufactured home
13 excluding Oklahoma taxes;

14 5. The certificate of title number for the home; and

15 6. Any other information which the Tax Commission deems to be
16 necessary.

17 The application for registration shall also include the school
18 district in which the manufactured home is located or is to be
19 located. The information shall be entered into a computer data
20 system which shall be used by the Tax Commission to provide
21 information to county assessors upon request by the assessor. The
22 assessor may request any information from the system in order to
23 properly assess a manufactured home for ad valorem taxation.
